

MASTER IN ENDODONTICS 2015: SCHEDULE

Date	Topic	Activity	Time	Site
MON 26/1	2014 MASTER COURSE PRESENTATION Root canal anatomy and pulp chamber opening Endodontic access: the use of ultrasonics	Theoretical lesson	9-13	Main Hall
	Root canal anatomy and pulp chamber opening Endodontic access: the use of ultrasonics	Preclinical training	14-18	Training Room
TUE 27/1	Root canal anatomy and pulp chamber opening Endodontic access: the use of ultrasonics	Preclinical training	9-13	Training Room
MON 23/2	Root canal system shaping I Root canal system shaping II	Theoretical lesson	9-13 14-18	Main Hall
TUE 24/2	Root canal system shaping I-II	Preclinical training	9-13	Training Room
MON 9/3	Root canal system shaping III Root canal system obturation	Theoretical lesson	9-13	Main Hall
	Root canal system shaping and obturation	Preclinical training	14-18	Training Room
TUE 10/3	Root canal system shaping and obturation	Preclinical training	9-13	Training Room
MON 23/3	Pulp histology. Physiopathology of pulpodentinal complex. Endo-perio interrelationships, systemic implications of endodontics. Goals of Endodontics.	Theoretical lesson	9-13	Main Hall
	Differential diagnosis of oral-facial pain	Theoretical lesson	14-16	Main Hall
TUE 24/3	Root canal system shaping and obturation	Preclinical training	9-13	Training Room
MON 13/4	Diagnostic process and treatment planning in Endodontics (data collection, case presentation and decision making).	Theoretical lesson	9-13	Main Hall
	Radiology in Endodontics and 3D imaging systems	Theoretical lesson	14-17	Main Hall
TUE 14/4	Root canal system shaping and obturation Research and selection of the Scientific Literature	Preclinical training Workshop	8-11 11-13	Training Room Computer Room
MON 27/4	Root canal system disinfection. Magnification devices and Ergonomics. The use of the Operating Microscope	Theoretical lesson Workshop	9-13 14-18	Main Hall Endodontics Dept.
TUE 28/4	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 11/5	Clinical session on patients Post-endodontic restoration	Clinical training Theoretical lesson	9-13 14-18	Endodontics Dept. Main Hall
TUE 12/5	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 8/6	Clinical session on patients Dental Traumatology and Pulp Regeneration	Clinical training Theoretical lesson	9-13 14-18	Endodontics Dept. Room 5
TUE 9/6	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 29/6	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 29/6	2015 MASTER's EVENT: Science and Clinics in Endodontics: Molecular diagnostics and disinfection of the pulp space. Prof. Matthias Zehnder Univ. of Zurich	Lectio Magistralis	14-18	Main Hall
TUE 30/6	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 13/7	Clinical session on patients Pediatric Endodontics and Conscious Sedation in Dentistry	Clinical training Theoretical lesson	9-13 14-18	Endodontics Dept. Main Hall
TUE 14/7	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 7/9	Non-surgical retreatments 1: Prognostic factors and Decision making	Theoretical lesson	9-13	Room 5
	Non-surgical retreatments 2: Operative techniques	Workshop	14-18	Endodontics Dept.
TUE 8/9	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 28/9	Clinical session on patients Micro-surgical endodontics 1 and Operating Microscope	Clinical training Theoretical lesson	9-13 14-18	Endodontics Dept. Main Hall
TUE 29/9	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 12/10	Clinical session on patients Micro-surgical endodontics 2 and Operating Microscope	Clinical training Theoretical lesson	9-13 14-18	Endodontics Dept. Main Hall
TUE 13/10	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 9/11	Clinical session on patients Micro-surgical endodontics VIDEO DEMONSTRATION	Clinical training Clinical training	9-13 14-18	Endodontics Dept. Endodontics Dept.
TUE 10/11	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
MON 23/11	2015 MASTER's EVENT: Anatomical Dissection Course Oral-facial anatomy and surgical semeiotics	Workshop Theoretical lesson	9-13 14-18	Main Hall
TUE 24/11	2015 MASTER's EVENT: Micro-surgical Endodontics HANDS-ON COURSE ON CADAVER in cooperation with ORL and Anatomy Departments	Workshop	9-13	
MON 14/12	Clinical session on patients	Clinical training	9-13	Endodontics Dept.
	MASTER's THESIS PRESENTATION		14-18	Main Hall
