Dental School - Lingotto

Master Post-Universitario in Microendodonzia Clinica e Chirurgica

Post-graduate Master Course in Clinical and Surgical Microendodontics

Direttore: Prof. Elio Berutti - Coordinatore: Dr. Damiano Pasqualini

SCORE:

3.93/4

Master Rating from Students:

EVALUATION OF STUDENTS IN MICROENDODONTICS

SYNTHESIS

PERFORMANCE OF THE LECTURERS

Efficacy and interest of the lectures?	4
Capacity of the lecturers to captivate the audience?	4
Main topics of the discipline were treated?	4
Willingness of the teaching staff?	4
Punctuality of the teaching staff?	4

TEACHING

Students preliminary background and knowledge?	3,38
Balance between theoretical and practical activity?	3,88
Interest in topics presented and discussed?	4
Willingness of the clinical tutors?	4
Practical activity adequacy?	3,75
Time available for individual study?	3,75

LEARNING MATERIAL AND FACILITIES

Quality of the learning material provided?	4
Rooms and learning facilities comfort and adequacy?	4
Preclinical and Clinical equipment adequacy?	4

ORGANIZATION

Information and communication efficacy and timeliness?	4
Professionalism and willingness of the administrative staff?	3,88
Overall organization adequacy?	4

OVERALL EVALUATION

Satisfaction of personal expectations towards the course?	4
Overall evaluation of the teaching activity?	4
Balance between costs, efforts spent and learning outcomes?	si

SCORE

3,93
